**CONDITIONS OF SALE AND CREDIT EXTENSION**

1. This application, the terms and conditions on Shelter Products Inc.'s (Seller's) bid acceptance and Seller's web site at www.shelter-products.com constitute the entire agreement between the parties. If Applicant stipulates additional or different terms, such terms do not constitute an objection to specific terms herein and in the event of a dispute between Applicant's terms and conditions and Seller's terms and conditions, Seller's terms and conditions will prevail.
2. In consideration for any extensions of credit by Seller and its affiliates/subsidiaries, the undersigned applicant authorizes Seller to conduct a credit investigation including inquiries of the references listed above. Applicant agrees to the terms and conditions of sale shown on each invoice.
3. Seller's obligations are contingent upon Applicant's qualifying for credit approval by Seller, which credit approval shall be made in Seller's sole discretion; and Applicant's maintaining its outstanding account balance within terms and the credit limits established by Seller. Applicant agrees to pay a late charge equal to the maximum legal rate for contracts, or 18% per annum, whichever is less, on the unpaid delinquent balance until the amount is paid in full. The applicant also agrees to pay all costs of collection. Until the unpaid contract price and other amounts payable by Applicant to Seller are paid in full, Seller shall have a lien on the Goods for the unpaid amounts. Applicant grants to Seller a security interest in the Goods to secure payment of such amounts.
4. In the event of a dispute, the prevailing party will be entitled to reasonable attorney fees. Any controversy or claim arising to this contract shall be settled in arbitration in any court having jurisdiction, or deemed appropriate by Seller. Applicant agrees this agreement was entered into and is governed by the laws of the State of Oregon. Applicant agrees that any litigation regarding disputes with Seller will be brought in a court of competent jurisdiction in Oregon and applicant hereby consents to personal jurisdiction in such courts. Orders shall be cancelled only by mutual consent. If Buyer refuses to take delivery, Buyer agrees to pay a 50% cancellation fee. Applicant also agrees to pay a late charge equal to the maximum legal rate for contracts, or 18% per annum, whichever is less, on the unpaid delinquent balance until the amount is paid in full.
5. Seller's liability shall be limited to the cost of reshipping non-conforming goods to the point of delivery as specified in the order within a reasonable period of time following proper and timely rejection by Applicant. Under no circumstances will Seller be liable to Applicant for consequential or incidental damages, of any nature whatsoever, arising from non-conformity of goods, delay in shipment, or use of goods.
6. Applicant hereby represents that the information contained in this application is true, complete, and correct, and that Seller can reasonably rely on this information. Seller may disclose to any other interested commercial parties Seller's credit experience with applicant/purchaser. The Seller will assess sales tax at the rate effective when material is invoiced unless Applicant provides an exemption certificate to Seller prior to delivery.
