

Excellent career opportunity for ENGINEERED WOOD PRODUCTS BUYER

We are searching for an experienced EWP Buyer to join our team. This is an excellent opportunity to build a high-income career with unlimited earning potential.

This position is responsible for negotiating, purchasing, and managing engineered wood products, truss and wall component systems, and mass timber products. Responsible for planning, scheduling, advising, market analysis, forecasting, and communicating market activity. Develops and implements specific sourcing strategies to support corporate objectives, providing the company with a competitive advantage in the areas of materials and services. Creates and maintains mutually beneficial long-term partnerships with suppliers as well as sales staff.

Successful Candidates:

- At least two years of related experience as a buyer or seller of lumber or building materials
- Knowledge of floor and roof truss design process
- Ability to read and interpret architectural and structural blueprints
- Ability to calculate tributary loads, concentrated loads, and load transfer through a building
- Knowledge of current local codes associated with truss design (i.e., TPI, UBC)
- Solid knowledge of lumber and building materials
- Displays exceptional math skills, including but not limited to architectural units, fractions, geometry, and basic trigonometry
- Excellent critical thinking as well as analytical skills
- Ability to be self-directed while working under tight deadlines
- Close attention to detail
- Proven negotiation skills
- Strong computer skills and knowledge of relevant software
- Possesses exceptional organizational skills
- Ability to communicate effectively with a wide variety of people
- Ability to travel as required

We will support your career growth with:

- A results-driven winning team
- Experienced successful mentors
- State of the art systems designed to help build your business
- Financially sound, employee-owned, and operated company
- Top-notch administrative support
- Base plus commission

Benefits:

- Health insurance
- Health savings account
- Dental insurance
- Vision insurance
- Paid time off
- 401(k) Plan with Company stock option
- Life insurance
- Flexible spending account
