

Shelter Products, Inc. is one of the largest multi-family construction suppliers in the U.S. with over \$500 million in annual sales. We have an exciting opportunity for an experienced, motivated Software Developer to join our IT team in our Milwaukie, Oregon office.

Because our business model is radically different from retail lumber yards and big box stores, 90% of our IT applications have been custom-built. Our IT staffing philosophy is to design and develop high-quality applications with an elite group of skilled, highly motivated professionals. Fewer is more. Our company consistently rates itself as the most productive in our industry, in no small part because our system designers and application users work in concert to create application specifications. We are looking for candidates who understand and integrate software tools with business needs.

We are looking for a talented full-stack .NET developer to join our IT team in re-architecting a suite of existing custom-developed applications into modern browser-based single-page applications. The successful candidate will leverage their experience with Microsoft technologies, including C#, SQL Server, and ASP.NET MVC, through the complete SDLC, from design to coding, testing, and deployment.

This position will work with users and development peers to draft systems specifications and then draft and test code autonomously.

SUCCESSFUL CANDIDATES' EXPERIENCE REQUIREMENTS:

- Development experience and proficiency with Microsoft C#.NET languages and .NET web development
- Strong database experience with Microsoft SQL Server
- BS/MS in Computer Science Engineering, Information Systems, or a similar relevant degree or equivalent education and experience
- Minimum two years of working experience as a software developer
- Proven ability to work both independently and as part of a development team
- Proven ability to design intuitive user interfaces that minimize user training

PLUSSES:

- Experience with .NET Core, Blazor, Git, and Azure DevOps

WE OFFER:

- Competitive salary
- Excellent benefits package, including health, dental, vision, EAP
- Opportunity to purchase company stock
- 401(k) plan (with company stock option)
- Outstanding team environment

REQUIRED TO APPLY: Please submit a cover letter and résumé to Tammy Hooper, Human Resources Director, at thooper@shelter-products.com.
